

Worple Primary School

Sports Premium 2016-2017

In March 2013 the government announced that it was to provide additional funding of £150 million per annum for academic years 2013 to 2014 and 2014 to 2015 to improve provision of physical education (PE) and sport in primary schools in England - The Primary PE & Sport Premium.

This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - is allocated to primary school headteachers. The funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools. **Funding has been agreed until 2020.**

The funding has been provided to ensure impact against the following **OBJECTIVE:**

To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision that will live on well beyond the Primary PE and Sport Premium funding.

Here is how this premium will be spent in Worple Primary School during the 2016-2017 academic year:
