Sports Premium 2016-2017

In March 2013 the government announced that it was to provide additional funding of £150 million per annum for academic years 2013/14 and 2014/15 to improve the provision of physical education (P.E.) and sport in primary schools in England - the Primary P.E. & Sport Premium.

This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - is allocated to primary school headteachers. The funding is ring-fenced and therefore can only be spent on the provision of P.E. and sport in schools. **Funding has been agreed until 2020.**

The Sports Premium for 2016/17 has been used for the following **OBJECTIVES**:

4. Offering a broader experience of a range of sports and activities to all pupils (clubs wide variety of curriculum activities)
5. Increasing participation in competitive sports (Intra & Inter)
