

WORPLE WEEKLY

Every Second Counts!

No 703

8th
September
2017

Welcome back everybody!

It has been great to welcome everybody back to school after the summer. I hope that you have all had a restful and enjoyable summer and are looking forward to the coming school year which as usual will be packed full of wonderful and exciting learning opportunities.

This term we are pleased to welcome: -

Mrs Butterworth who is our new Year 3 teacher and **Mrs Ladva** who joins the Year 2 team.
Miss Joy has also taken on her new role of Assistant Head.

I will be on the playground most mornings, please come and introduce yourself to me.

Next week we are pleased to have some of our new Reception and Nursery children starting.

Mrs N Fosker

Year 6 all have a very exciting week coming up: -

Some will be going away on a residential trip to Culmington Manor in Shropshire. Those children who are not going on the residential trip will be having fun by going to Forest School, cooking and other activities. Have fun all of you!

Shortly the newsletter will be sent out by email to parents and carers. We will be asking you to provide a current email address (you can give more than one so other members of your family can receive a copy). Paper copies will be available on request.

Year 4 will be starting swimming on Wednesday next week. Please make sure that you have your swimming clothes, towel and swimming hat in a bag for your back on Wednesday morning.

Clubs will be starting soon.
Keep an eye out for more info.

Site Security

To keep all the children and adults safe, a member of staff will be on both of the school gates in the mornings and will then lock the gates. Please make sure you clear the school site quickly after drop off.

Tea with the Teacher

We are pleased to announce that you will have an opportunity to come into your child's classroom, meet the teacher and to find out about the exciting learning opportunities this year for your child.
